Child Protection & Welfare Policy (please retain)

This is the Child Protection Policy for Saddleworth Village Olympics, which will be followed by all members of the organisation and promoted by those in a position of leadership within the organisation.

The purpose of the Saddleworth Village Olympics is to provide and promote sporting opportunities for the children, between the ages of 7 and 16 years, within the seven competing village teams.

The organisation does not undertake activities with children without the permission of their parents/ carers. Parents/ carers remain responsible for their children's welfare throughout all the sports undertaken by the organisation.

We recognise that a young person can be vulnerable to abuse. The purpose of this policy is to make sure that the actions of any adult or young person, in the context of the sports undertaken by this organisation, are transparent and safeguard and promote the welfare of all young people.

Where there are concerns regarding a child and suspected abuse, or disclosure of abuse, of any form, during the Saddleworth Village Olympics, it may be necessary to contact the relevant agencies to inform them of our suspicions. Depending on the circumstances this may be undertaken without the knowledge of the parent/ carer of the child concerned and any information given will be treated as confidential, and will be shared only with the appropriate agency to protect the welfare of the child. All children, parents and carers will be treated with sensitivity and respect.

If it is found that any suspicious injuries have occurred whilst a child is participating in the games, the Welfare Officer will be immediately informed prior to a full investigation taking place. As stated above, relevant agencies may become involved, whilst confidentiality will be maintained at all times.

The Saddleworth Village Olympics Committee do, occasionally, provide publicity photographs to the local press and photographs of the various sporting events will be available to view on the Saddleworth Village Olympics website. The committee acknowledge that this will not be appropriate for all children and it therefore remains the responsibility of the parent / carer to inform their village Team Manager if photographs are not to be published. Every attempt will be made to ensure photographs of children who are to remain anonymous are withdrawn. If it comes to your attention that a photograph has been released on the website in error, please contact your Team Manager immediately and the photograph will be removed. The committee will not identify any child by name without express permission of the parent / carer.

If any parent or young person/child has any concerns about the conduct of any individual, this should be raised in the first instance with the designated Welfare Officer for the Saddleworth Village Olympics, whose details are available on the S.V.O. Games web site.

Any concerns will be recorded, signed, dated and any relevant information will then be kept on file for any future proceedings.

Saddleworth Village Olympics Committee – May 2019

Insurance Cover (please retain)

Whilst every effort will be made to ensure that the event is conducted safely, accidents do happen. The Saddleworth Village Olympics Committee has given careful consideration to the question of insurance cover and the following arrangements have been made.

Competitors Must Be Registered to be covered by our insurance policy a full copy of which is available on request.

LEGAL LIABILITY

Public Liability Insurance has been arranged by the organising committee – up to five million pounds on any one accident. This policy will indemnify the **organisers** against claims arising from accidents for which they are legally liable, that is where there has been negligence on the part of the organisers.

PERSONAL ACCIDENT

There are, of course, accidents where no one is to blame. Whilst this is an area where we feel each party (i.e. the Committee and the parent/guardian) must form its own view as to insurance, we have arranged the following **basic cover** for the benefit of all **registered** participants taking part in organised events and training sessions:

- Death £2,500
- Permanent Total Disability £5,000
- Permanent Disabling Injuries £5,000

It is, of course, possible for you to purchase additional cover for your children, privately, by contacting your usual insurance advisor.

- **All children under 12 years must be supervised by a parent/guardian at all training sessions and Olympic events.** Be aware that both the Team Coach and The Saddleworth Village Olympics Committee cannot be held responsible for children left unaccompanied and parents/guardians are responsible for their children's safety at all times.
- Children who do not behave satisfactorily during training sessions or at events may be asked to leave and parents will be notified accordingly.
- All spectators and competitors must realise that persons undertaking to umpire or referee games are doing so voluntarily. Consequently, spectators must not question their decisions at any time. Queries should, initially be directed via your village Team Manager who will, in turn, consult the Organising Committee.
- Any competitor or spectator who threatens or abuses; either verbally or physically; any other competitor, spectator or referee, will either be disqualified from the event / entire competition and risk their team being penalised.
- In addition, any competitor who deliberately tries to undermine the outcome of events will be penalised.

We hope that this year's Saddleworth Village Olympics will proceed within the spirit of the Olympics and that each and every competitor will respect the Olympic oath:

"We promise to take part in these games as individual competitors and team members. Playing by the rules, winning with pride, losing with grace and making friends along the way: in the hope that, through sport, we will help strengthen our community spirit".

Safeguarding & Medical Conditions

Please inform your village managers and/or coaches if there are any medical or safeguarding issues regarding your child.

Note. Whilst S.V.O. Games will assist with any such issues, it is the ultimate responsibility of the adult signing this form to ensure the health and safety of the child.

To help us plan and ensure you get the right information, please tick the sports your child is interested in participating in.
